# ShipMail Web

The screenshot shows a web browser window titled "WLink Webmail - Windows Internet Explorer". The address bar contains the URL "http://smcweb.wlnet.com:8000/start\_menu.php". The page header features the "WORLD-LINK COMMUNICATIONS" logo on the left and "ShipMail Connect Web (v1.10)" on the right, with the tagline "Innovative Ideas for Tomorrow's Opportunities". Below the header is a navigation menu with icons for "Compose", "Inbox", "Delete", "To White List", "To Black List", "Report", "Server Setup", "Ship Setup", and "Help". A "Logoff" button and the text "User: lonestar" are also present. The main content area is titled "Restrict size of messages to vessel" and includes the instruction: "You can restrict message size you can send to the vessel, to do it, please inform maximum size expressed in kilobytes." There is a text input field with "10" and "(KB)" next to it. Below this is another instruction: "Restrict size of messages by sender, please input sender address and maximum size express in kilobytes, separated by comma". A text area contains the following text: "@wlnet.com,200", "sconway4774@shaw.ca,100", and "test@example.com,1001". An "Update" button is located at the bottom of the text area. The footer of the page contains copyright information: "© 2005 World - Link Communications" and contact details: "1101 Worcester Road, Framingham, MA 01701 USA - Phone: +1 508 370 7778 Fax: +1 508 370 7791 Email: info@wlnet.com". The browser's taskbar at the bottom shows the Windows start button, several application icons, and the system tray with the time "3:47 AM".

# ShipMail Web

The screenshot shows a web browser window titled "WLink Webmail - Windows Internet Explorer". The address bar displays "http://smcweb.wlnet.com:8000/start\_menu.php". The page content includes the "WORLD-LINK COMMUNICATIONS" logo and the text "ShipMail Connect Web (v1.10)". A navigation menu contains links for "Compose", "Inbox", "Delete", "To White List", "To Black List", "Report", "Server Setup", "Ship Setup", and "Help". A "Logoff" button and the text "User: lonestar" are also present. The main content area is titled "Server Setup Menu" and lists three options: "Size Filter" (with a magnifying glass icon), "White List" (with a plus icon), and "Black List" (with a minus icon). Each option includes a brief description of its function. A large photograph of a modern building with a green glass facade is positioned to the right of the menu. At the bottom of the page, there is a copyright notice for "© 2005 World - Link Communications" and contact information: "1101 Worcester Road, Framingham, MA 01701 USA - Phone: +1 508 370 7778 Fax: +1 508 370 7791 Email: info@wlnet.com". The browser's taskbar at the bottom shows the Windows start button, several application icons, and the system clock displaying "3:45 AM".

Ship Setup Menu

- Add Vessel User**  
Add a new user to SMC system onboard vessel.
- Size filter**  
set maximum size of compressed outbound messages that vessel users allowed to send.
- Get file**  
Allows you to collect any file from the vessel PC onboard. Specify full path and file name and shore e-mail address for confirmation of completed action onboard.
