AGENDA

25.01.2006

- Remote connection on F77 vessels via PcAnywhere
- On line connection with Happy Fellow via PcAnywhere
- Conclusion

Remote connection on F77 vessels via PcAnywhere

25.01.2006

- ① Preparation on the F77 PC :
 - ① A dial up connection had to be prepared to accept incoming calls via the windows user profiles
 - ① PcAnywhere installation/configuration
- ① Preparation on the remote PC
 - ① PcAnywhere for remote access was configured and user name and password were used the ones which were preconfigured on the host 'server' F77PC .
 - ① The cost for deploying Remote server access was less than \$200 per vessel. This is the cost of the PcAnywhere license on the vessel.

Fixed various problems remotely

25.01.2006

- ④ We have fast and effective support to our fleet
- ④ Reduced the 3rd party technical support regarding software problems onboard vessels, as a result all costs concerning flight tickets, accommodation, and hourly labour charges and service costs are reduced.
