# Software Distribution Concept

# Verified applications

## Antivirus:

Inoculan - Norman Antivirus Control - Sophus - Symantec AntiVirus - Trend CsSuite

## Backup:

BackupExec - Backup@Sea

## Communication:

Citrix AGE Client - Dualog - Efax - HMC FileSync - ModemShare Server - NetModem Client - NetModem Server - Rydex - Rydex Remote - Rydex Remote RDP - SMS CrewMail Client - SMS CrewMail Server - TM Exchange - Xantic TBX

## Database Client:

BDE16 - BDE32 - Oracle 9 Oracle 10

## Database Server:

ASA - MSDE2000 - Oracle 10 - Oracle 9

## QHSE:

Seagull - Bass Easy Info - Bass Replicator - Bass SAFIR - Bokskap - Harmonized VPQ - QMS - TQM 9000 - Watchkeeper - Working Environment - DNV Navigator

## Mail Clients:

Amos Mail - E-Mail @ Sea - HMC Mail - Lotus Notes - Outlook 2003 - Outlook Express - Rydex

## Mail Servers:

Amos Mail Server - Lotus Domino - HMC Mail - MS Exchange - Rydex

## Navigation:

BP Marine - SeaWare - SPOS - The Guide on CD - Waypoint

## Office & Utilities:

Adobe Acrobat - Adobe Acrobat Pro - Adobe Reader - Autodesk TrueView - BookCase - Clue Dictionary - Cute PDF - Easy CD Creator - IrfanView - Microsoft Office - Microsoft Office Pro- MS Proofing tools - MS InfoPath - Nero Burning ROM - Nero Express - PDF Machine - PowerArchiver - Visio Viewer - VNS - Volo View Express - WinRep - WinZip - Wordfinder - FlashPlayer - Java

## PMS:

Amos Business Client - Amos MP Client - Amos MP for server - Amos ODBC - Amos Replication - CoCos EDS - Consultas - Consultas R - DNV Hulc - Lemag - Omega Vessel System - PMI - Premaster Pro - Star IPS - TM Master - VibScan

## Other applications:

AppFinder - Bunker Master - Convert - Dcargos - Eniro Plus - Fairplay - PCSHIP - PDF Mailer - QuickTime - SeaSal - TISENM - SirePhase - The Guide on CD - Realtek ALC - Windows Installer

# Four bullets to remember!

**1**

Equal software on all vessels – guaranteed!

**2**

Onboard IT operational tasks either automated or controlled from onshore!

**3**

Traveling onboard vessels to implement changes and fix problems reduced to a minimum!

**4**

Vessel crew can – through built in tools – fix >95% of most common PC problems themselves!
